

## Please do the following:

- Place all of your personal belongings on the floor in the back of the classroom. Keep only a pen (and your Technology Questionnaire if you didn't hand it in on Friday)
- Go to the counter by the windows and choose a map.
- Return to your seat with your map

# Abel Buell Map 1783

# Directions

1. Complete your PSA document on your own for your map
2. Find other students in the class who have maps with the same theme (Ex. Population Distribution, Culture, Society Modern, Conflict, Physical)
3. Share your map with your group and explain why you think it fits with the theme
4. As a group, create a headline statement for your group of maps and share with the class

# Right Now:

1. Complete your PSA document on your own for your map

**You have 4 minutes!**
